

## **Radio Reconnaissance Scholarship Award: Frequently Asked Questions**

### **What is the Radio Reconnaissance Project Scholarship Award?**

The RRProject established this \$1,000 scholarship to further support the radio reconnaissance community and aid members undertaking educational, training, and/or vocational training programs. The RRProject Scholarship Program awards 2x scholarships per academic year from a pool of eligible applicants.

### **Who is eligible?**

Any active duty or veteran Radio Reconnaissance Platoon member in good standing and their dependents are eligible to apply. Eligible applicants must also be matriculated into their respective program.

### **How does the application and selection process work?**

Eligible applications are reviewed by RRProject Officers before the selection process. Winners are selected by the RRProject Officers and Board of Advisors based on eligibility, the merit of the application, and financial need.

### **Where do I apply?**
